## Tour Descriptions

### BANGKOK

#### BANGKOK CITY TOUR FULL DAY

A full-day excursion that includes some of Bangkok's highlights, such as majestic Buddhist temples, the imposing statues of Wat Pho and Wat Phra Kaew, the magnificent Grand Palace, and a boat trip along the metropolis's canals, will make this an unforgettable experience. Disembarkation will take place at Wat Arun before returning to the hotel, with lunch included.

#### FLOATING MARKET FULL DAY

Early in the morning, travel west of Bangkok to visit Damnoen Saduak (literally meaning "comfortable journey"), famous for its daily morning market, held on longtail boats on the city's main canal (or "klong"). The tour includes a boat ride through the floating market, offering a glimpse into traditional rural life along Thailand's waterways. Lunch will be at a local restaurant. In the afternoon, visit the Grand Palace, one of the finest examples of an old Siamese court. It was once the residence of the kings of Bangkok. Here you will see palaces that were used for different occasions: the Funeral Palace, the Reception Palace, the Throne Hall, the Coronation Hall, and the Royal Guest House. Wat Phra Kaew, the royal temple within the Grand Palace complex, houses Thailand's most revered Buddha statue: the Emerald Buddha.

## Tour Descriptions

### PhiPhi Islands in Private Boat

Imagine your ideal place. Is it somewhere far removed from reality? Perhaps you're on the sandy beaches of a lagoon fringed by palm trees? Then you might be on Ko Phi Phi. Spend a day in your ideal spot, starting with Bamboo Island, one of the archipelago's most secluded islands. Here, you can relax on the beach or swim and snorkel in coral-filled bays. Sail to Monkey Beach, where playful monkeys pose for photos and swing through the trees. Continue to Viking Cave, a cavern with an entrance at the foot of a limestone cliff, famous for its mysterious paintings. Finally, this idyllic trip culminates with a swim in Pileh Lagoon, a natural emerald pool surrounded by limestone mountains.

### Elephant Exploration (private activity)

Spend a full day at the Phuket Elephant Sanctuary, where these gentle giants enjoy their twilight years in peace, roaming a lush tropical environment free from exploitation and harm. Walk with the elephants through the forest while preparing their mud bath, which helps them cool down and protect their skin. Bathe them in their pool—and don't be surprised if one tries to bathe you too! You'll also have the opportunity to help feed them the nutritious food you prepared beforehand. This tour is a must for anyone seeking an ethical and responsible close encounter with elephants.

### 4 Islands and Hong Island

You can visit all four beautiful islands, including Hong Island, in a single day. Railay, Tub Island, Chicken Island, and Poda Island are all part of the four-island tour. Let's continue with Hong Island, surrounded by a long, wide, white-sand beach. Climb the stairs to the lookout point for a magnificent view, followed by Hong Island's natural lagoon, accessible only by one access point. Enjoy its emerald waters, the surrounding mangrove forest, and the limestone cliff that acts as a barrier in all directions. Keep in mind that the tide influences your decision on where to stop.

#### Touching Samui

Enjoy a carefully curated tour through local culture and nature, beginning with a visit to a Coconut Conservation Center to explore the many uses of this fruit in traditional life. Participate in a hands-on workshop to make a classic Thai dessert, followed by a typical lunch featuring coconut-inspired dishes. Continue to Hin Lad Waterfall for a refreshing escape into nature, surrounded by lush forests and tranquil streams. Visit a local workshop to discover how coconut materials are transformed into handcrafted products, before stopping at the iconic Grandfather and Grandmother Rock for some shopping.

#### Half Day Private Traditional boat and snorkelling in Koh Tan y Koh Mudsum

Embark on a charming traditional boat trip to the tranquil shores of Koh Tan, where you can snorkel in crystal-clear waters teeming with marine life. Relax on peaceful Coral Beach, soaking in the island's natural beauty. Continue to nearby Koh Mudsum for a fun encounter with its famous pigs, perfect for unforgettable photos. Conclude your experience with a leisurely lunch at a beachfront restaurant, surrounded by serene coastal views. A delightful getaway that combines nature, relaxation, and a touch of island charm.
